Virginia Troops Will Go to Historic Battlefield Early

VANDALISM AT LIBRARY

Truck Outlook Splendid, Pension Checks.

It will be a source of delight to most of the Virginia militiamen to learn that Gettysburg, Pa., has been definitely selected as the site for the annual encampment of State and national troops, and that the size of the appropriation for this purpose made by the War Department insures the attendance of all the Virginia commands. The only exception is in the case of the Coast Artillery, which will camp and practice at Fort Monroe, an inland encampment not being practical for artillery of this kind.

An official communication was received yesterday from the War Department by Adjutant-General W. W. Sale, fixing the place at Gettysburg and the time at July 1 to 9. It has been the impression for some time that the historic battleground would be the site for a big encampment, and most of the men are much pleased with the selection.
